

BUSTLES TO BRAS

Thursday, May 9th at 5:00pm

Prince George's Chapel (32040 Ward Lane) - Dagsboro

Join **Karen Jessee**, professional speaker and visiting scholar, as she combines humor, history, and fun in this presentation that takes you from hoops to halter tops, from bustles to bras - and includes 200 years of the influences that led to the most outrageous changes in the feminine silhouette!

And as there is no fashion without foundation - take a peek *underneath* to see how women were padded and pinched, poofed and cinched into the latest styles!

Light refreshments will be provided courtesy of **Friends of Prince George's Chapel.**

Guest Speaker provided by **Delaware Humanities.**
