

Re-elect

WILLIAM CHANDLER

- Dagsboro is my hometown. I grew up on Main Street and, in turn, raised my kids here. I also own active farmland in Dagsboro.
- I worked as a judge in the Delaware Court of Chancery in Georgetown. Now I am a lawyer for Wilson Sonsini Goodrich & Rosati specializing in corporate law.
- Concerned about overdevelopment and its impact on our town? It is a leading concern for me and for most of us. I am not shy about my views; see my opinion article in baytobaynews.com, or better yet – attend a Town Council meeting!

WHY VOTE FOR ME?

I live in Dagsboro. My children live here. My friends and family live here. I want to preserve the small town feel for all the people I know and love.

I understand Delaware law. This is a helpful tool when championing our Town.

I listen to concerns and strive to resolve problems. If you see me walking my dog, at church, in the post office, etc., you are always welcome to speak to me.

ALL MY VOTES ARE PUBLIC.

YOU CAN SEE MY VALUES & HARDWORK. I STAND BY THEM.
